

AIA Amarillo

A278

City of Amarillo  
Environmental Health

A27803082019

John Gates & Anthony Spanel

04.04.2019

Credit(s) earned on completion of this course will be reported to **AIA CES** for AIA members.

Certificates of Completion for both AIA members and non-AIA members are available upon request.

This course is registered with **AIA CES** for continuing professional education. As such, it does not include content that may be deemed or construed to be an approval or endorsement by the AIA of any material of construction or any method or manner of handling, using, distributing, or dealing in any material or product.

---

Questions related to specific materials, methods, and services will be addressed at the conclusion of this presentation.

# Course Description

---

This course will provide the specific knowledge related to health codes with the intent of improving accuracy of plan submission and first submission approval.

**Prerequisite Knowledge:**

Participants will get more from this course if they have basic knowledge of permit application processes.

**HSW Justification:**

Participants will gain insight into applicable health codes and Texas food establishment rules.

# Learning Objectives

---

At the end of the this course, participants will be able to:

1. Participants will learn where Environmental Health fits into the overall Development Review Process
2. Participants will gain insight into applicable health codes
3. Participants will learn what projects require a review from Environmental Health
4. Participants will have an understanding of the required depth of details for a successful submission

This concludes The American Institute of Architects  
Continuing Education Systems Course
